Dear Prof Winiarczyk,

Thank you for presenting the Canine and Feline Medicine programme of the Faculty of Veterinary Medicine, University of Life Sciences in Lublin (Poland) for re-evaluation by VetCEE. We appreciate the effort that goes into making such an application.

The evaluation panel have completed their report, which has been discussed by the VetCEE Board.

The evaluation panel highlighted that they were very impressed with the programme and with the highly motivated leaders and the ample opportunity for direct interaction of teaching team with candidates. Evaluators were especially impressed as regards the implementation of good quality assurance, the practical training and the assessment processes.

I am very pleased to inform you that the VetCEE board supports that the **Canine and Feline Medicine programme of the Faculty of Veterinary Medicine, University of Life Sciences in Lublin (Poland) should be APPROVED by VetCEE.**

The programme can continue to use the VetCEE approved logos for the next five (5) years.

Overall consideration of the dossier and decision

May we offer our congratulations on achieving VetCEE approval, which means that **the programme is completely supported and approved for the next five (5) years**. This enables the **Faculty of Veterinary Medicine, University of Life Sciences in Lublin (Poland) to proceed and promote its programme as a VetCEE Approved programme**. During this time the VetCEE Board wish to monitor the new aspects presented in your programme for the benefit of this and other programmes, whilst the above two conditions can be implemented.

**The use of the VETCEE approval logo is authorised and the appropriate logo files can be obtained from our secretariat.**

Congratulations to you and all your team!

You may find attached to this communication a copy of the report of the evaluation panel.

Please do not hesitate to contact the VetCEE Board if you have any queries.

Yours sincerely
