

1. ABSTRACTS.

Abstracts must be received by the organizers **in electronic form via e-mail: marta.wojcik@up.lublin.pl**, no later than **April 30, 2014**. Authors are kindly requested to follow the instructions given below, at the Abstract form.

TITLE IN TIMES NEW ROMAN, FONT 12

A. Author¹, B. Author¹, C. Author^{1,2}, D. Author³

¹Institution, City, Country, ²Institution, City, Country, ³Institution, City, Country (font 10)

Use Times New Roman, font 12, single space. Abstract without tables, figures or references (up to 250 words) should be written in one paragraph. Organize your abstract in the order: introduction, aim of study, material and methods, results, conclusions and key words.

The Qualification Board will select and assign the received contributions for oral or poster presentations to the relevant sessions. The Committee will notify the Authors about the selection of their contributions by June 30, 2014. At least one Author from each contribution must be registered for the symposium. All abstracts will be published in the conference materials. **To accept the abstract, the registration fee payment is required!**

Invited plenary and session lectures will be published in the English version of *Medycyna Weterybaryjna*. Additionally, the Scientific Committee offer the publication of full papers if apart from abstract some authors are able to sent full version of the study until **March 30, 2014**. Each manuscript will be subject to review in accordance with the requirements of *Medycyna Weterybaryjna*.

The full text of the submitted papers must be received by the Organising Committee no later than **March 30, 2014** (the paper should not exceed 10 pages, font 12, 1.5 line spacing). Submission details are available on the *Medycyna Weterybaryjna* webpage (<http://www.medycynawet.edu.pl/>).

Please declare the session most suitable to the subjected topic.
