

ICEAS International Congress of  
Education in  
Animal Sciences

## IV International Congress on Education in Animal Sciences – ICEAS June, 26-27, 2025, Lublin, Poland

---

### INVITATION

---

It is our great pleasure to invite YOU to participate at the **4th International Congress on Education in Animal Sciences - ICEAS**, that will be held on **June 26<sup>th</sup> - 27<sup>th</sup>, 2025** at the Faculty of Veterinary Medicine, University of Life Sciences, Lublin, Poland.

This congress aims to bring together educators, researchers, and practitioners that use animals in their work to exchange knowledge, ideas, opinions, teaching methodologies and experiences in different fields of education.

Check for more information for this and previous congresses on <https://internationalsocietyeducationanimalscience.com/congress/>.

---

### SESSIONS AND TOPICS

---

The main topic of IV ICEAS is **“The cycle of stress: students, educators and animals”**.

Related topics:

- Artificial Intelligence in teaching and learning
- Teaching outside the classroom
- Software and educational technology
- Life/soft skills
- Scientific and research education
- Simulators and biomodels
- Any other topic related to animal sciences, including basics and pre-clinical science, animal production and biotechnology, veterinary public health and clinical science that communicate different methods for **quality education in animal sciences**.
