REQUIREMENTS FOR ORDER AND DELIVERY OF ARTICLES

Congress materials can be presented only in English.

To participate in the congress, articles and registration forms must be sent to the e-mail of the Organizing Committee by October 21, 2021 with an attachment: ssaacc@adau.edu.az;

The file should be named with the name of the author of the article. If there are several authors, then you should sent the name of the first author (example: Ibragimov). The articles will be published both in electronic and printed form in the congress materials. Receipt of sending organizational expenses together with the article should be sent by e-mail. The receipt must state the purpose of the shipment. For example, it should be written: "for the publication of an article". Articles will not be accepted without confirmation of payment. Registration and admission of materials must be sent to the e-mail address of the Organizing Committee until October 21, 2021. Submission rules: materials have not previously been published in any collection, journal, and books; the main results of personal research must be presented. The responsibility of the information provided in the materials belongs to the author. A collection of congress materials will be ready before the opening of the congress. Materials should be prepared as follows: the text should be typed in Microsoft Word in A4 format; Times New Roman, 12 pt., interval 1.

In English Az (below) Times New Roman (above), interval 1, line spacing 1.25 cm; no spaces should be omitted; line-by-line translation of the word is not allowed.

INTERNATIONAL CONGRESS ON SAFE AND SUSTAINABLE AGRICULTURE IN AN ERA OF ACCELERATED CLIMATE CHANGE (SSAACC)

8-10 DECEMBER, 2021

The article must be max. 10 pages; MAIN titles should be written in CAPITAL letters and bold. Initials and surnames must be indicated after the line skipping. The next line should be written the full name of the enterprise, where the participant belongs. The following line should be contained an email or postal address to contact the participants. These should be written in the center of the format. The text should be added after a line is omitted.

The Organizing Committee and the editorial board have the right not to accept materials that do not correspond to the thematic directions of the congress and do not comply above-mentioned requirements. Articles will be considered until October 21. The 2nd information letter about the invitation to the congress will be sent to the email address of the participants whose articles have been accepted

Publication

The articles will be published in the Journal of scientific works of ADAU with an International Standard Serial Number (ISSN). No additional fee is required for this.
