# The summer school of food production

Dear students, we would like to invite you to the summer school, which will take place in the beautiful South Bohemia Region.

As a part of the summer school, you will learn how to brew top-fermented beer, make fresh cheese and prepare meat products.

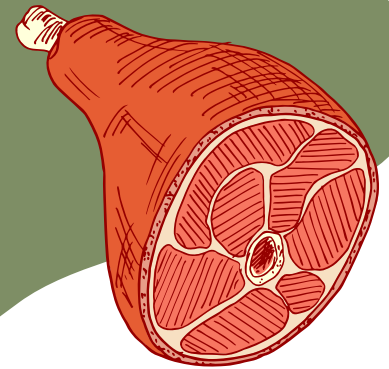

**WHEN?**

**4th - 9th**

**September 2023**

**WHERE?**

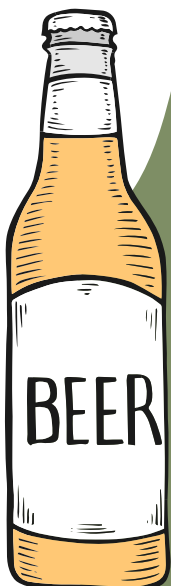

At the Faculty of Agriculture and  
Technology of the University of  
South Bohemia in České  
Budějovice  
in Czech Republic

The summer school also includes an excursion to operations focusing on local ingredients and recipes.

You will get to know our beautiful city as well.

After the summer school, there will be online degustation, where we all will meet again and taste the produced beer.

**Programme:**

**4th September 2023**

The opening in Mini-Brewery at the Faculty of Agriculture and Technology of the University of South Bohemia

**4th-6th September 2023**

Work in laboratories

**7th September 2023**

Excursion to the Brewery Budvar

**8th September 2023**

Degustation of own products and completion of the summer school

Co-funded by  
the European Union
