# Introduction

The short-term internship took place in July 2024 in the Greek capital, Athens.

The internship took place at the MoVet Animal Hospital clinic. The address is Chrisostomou Smirnis 9 in the Moschato district. The clinic is open Monday to Friday from 10am to 8pm.

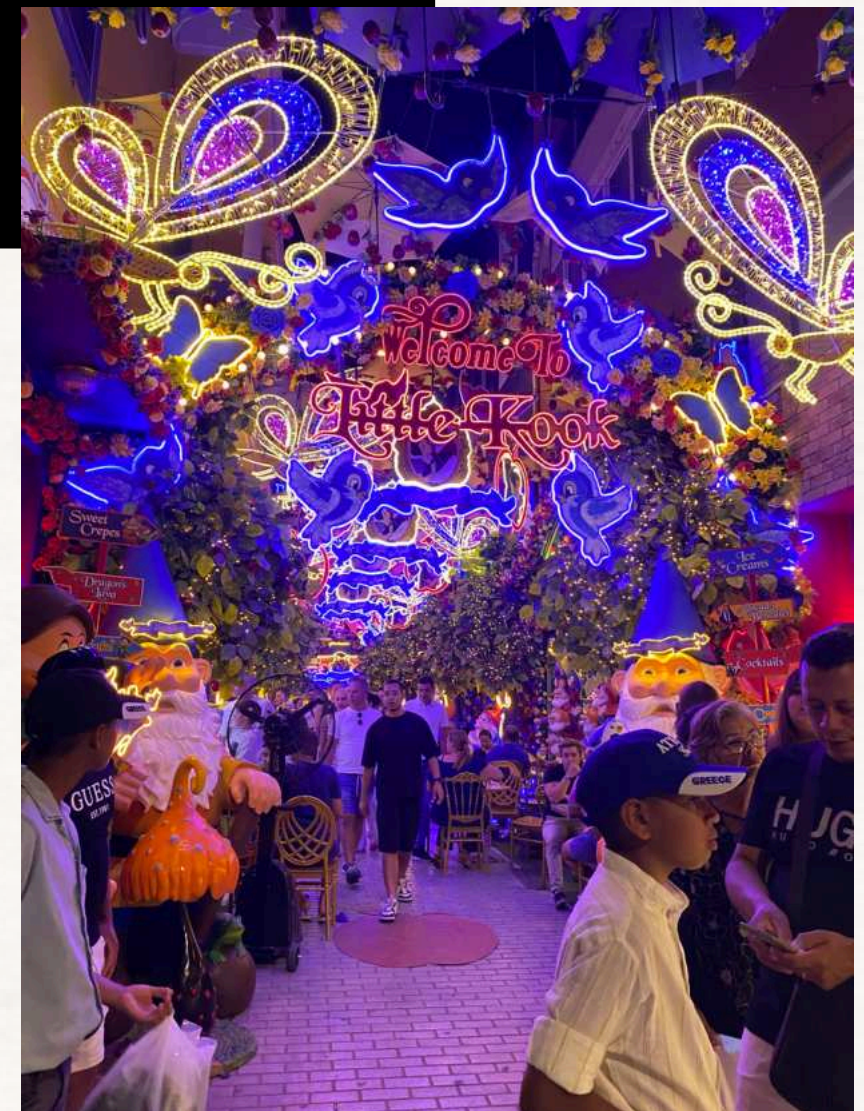

# Clinic

.The clinic treats dogs and cats. The clinic specialises in endoscopy. In addition there is x-ray, ultrasound and basic surgery.

# Climate

Athens is a city that is easy to get to from Poland, the city is well connected and there are plenty of tourist attractions.

**At the clinic, the staff are open and friendly. They are all able to converse in English. The doctors at the clinic are very willing to talk about cases.**

Thank you for your
