

**Announcement of recruitment of participants for the Summer School "The biostimulants and other modern solutions for the sustainable development of agriculture", which will take place on 9-13.10.2023 in Nitra (Slovakia) as part of the project entitled "Key, long-term cooperation for the development of an innovative, ecological approach to the production of biostimulants" implemented in the NAWA Strategic Partnerships program**

The summer school will be held in Nitra (Slovakia). The main organizer is the Slovak University of Agriculture in Nitra.

Recruitment is carried out in accordance with the regulations and continues until the places are filled + reserve places. The number of places in the recruitment is 30 + reserve places.

The acceptance of the application to participate in the event is decided by the order of applications.

People interested in participating are asked to apply in person to the project manager, prof. Sławomir Kocira: Lublin, ul. Głęboka 28, by phone +48 81 5319735 or by e-mail to [slawomir.kocira@up.lublin.pl](mailto:slawomir.kocira@up.lublin.pl). Applications can also be submitted to Prof. Pavol Findura in person (Faculty of Engineering, SUA, Nitra) or by e-mail [pavol.findura@uniag.sk](mailto:pavol.findura@uniag.sk).
