RECOMMENDATION FOR TRAVEL TO LUBLIN

Travel

Recommended arrival (on May 17th) & departure (on May 30th):

Lublin Airport (LUZ) or Warsaw Chopin Airport (WAW)

Lublin Airport is located about 20 km from the centre of Lublin, in a town of Świdnik. There is a direct connection from the airport to Lublin city centre (Lublin Central Railway Station) by a light train. The commute time is about 20 minutes. For more information, please visit <https://www.airport.lublin.pl/en>.

If there is no direct connection to Lublin, the best way is to travel to Warsaw Chopin Airport, the nearest international airport to Lublin. Visit the **Warsaw Chopin Airport** website for more details: <https://www.lotnisko-chopina.pl>

Otherwise, from Warsaw Chopin Airport to Lublin you can get by bus or train (it takes around 2 hours). The most popular direct bus operators are: [Contbus](#) - [tickets available online](#) or [Flixbus](#).

To take a train you need to get from the Chopin Airport to Warszawa Centralna station with a fast train (ca. 20 min):
