POLITÉCNICA
DE VALÈNCIA

Teaching Staff

Professors and faculty staff visit the UPV through academic and research exchange programs

Methodology

10 sessions in which a different skill will be put into practice each week. To do this, the workshop manager is asked to prepare a 2-3 hour session working on the ability in question.

Evaluation

Mandatory attendance and participation. The lecturer may require the student to take a short test or make a demonstration at the end of the session
